**Session 2 – June 13-16**

## **JAZZ AND HIP HOP** 10:30-11:30

This is a great way to introduce your dancer to the basic fundamentals of jazz. These skills introduced in this class are typically used in cheerleading, color guard, dance teams, show choir, and musical theater. If your little one likes to move and groove, they'll love the hip hop section of this class. This class will provide a great cardio workout, basic introduction of jazz and hip hop, and lots of smiles. Jazz and Hip Hop will be taught by faculty from On Your Toes Studio. For more information, please visit our website: [www.onyourtoesstudio.com](http://www.onyourtoesstudio.com) and click the link "Festival South."

## *Ballet and Creative Movement* 11:30-12:30

Introduce your Prima Ballerina to the grace and poise of ballet. In this class, each child will learn movement coordination, beautiful carriage of the body, and introduction to basic ballet technique. At the end of the session, each dancer will get to perform in a professionally made Russian Tutu! If your child would like to explore what it is like to be a ballerina, this is the class for you! Ballet and Creative Movement will be taught by faculty from South Mississippi Ballet Theatre. ## CONTEMPORARY AND LYRICAL 12:30-1:30

Contemporary gives dance a "new" free, flowing style. Contemporary Lyrical fuses the element of ballet technique with the freedom of jazz dance. It is expressive - it focuses on musicality and the emotions of the movement. Having a poetic fashion, contemporary lyrical is both fun and energetic while promoting wellness. This class will be taught by faculty from The Dance Place.
